All interested persons are also welcome to register and attend these webinars.

The JEC appeals to all **Learner Judges** to attend **all webinars/seminars** in order to “bank” them for future study paths. There is **no guarantee** that the JEC would be able to fill the quota of **four (4) webinars** per Group every year and it is imperative that Learners work proactively to accumulate webinar credits, even though they might not be studying a particular Group at the time a webinar on a Breed is presented.

The JEC further urges **Licensed Judges** to use the webinars as **refresher courses**. It is a great way of not only staying “on top of your game”, but of also setting an example for Learners.
